Have I Changed?

These three fourth graders in Miss Bonnie Bruce's class HAVE changed from the time their very young pictures were taken. "Baby pictures" are on display in Miss Bruce's room and proving to be an interesting addition. These three boys have also grown a lot and changed from last year when they completed a project in poetry as students of Miss Mary R. Black. Their 3rd grade poems were recently featured on educational television, being viewed by this year's third graders. "Language Lane" is the name of the program with Mrs. Hope Mitchell as teacher. The young poets are (from left): Andrew Hall, Danny Harvey and Robert Lawhorn. Having had their work aired on television, perhaps they will be inspired to keep on writing?

RAIDERS' BASEBALL OPENER APRIL 5

Seniors Bolster Pitching Staff

Three seniors are the mainstay of the Raiders' pitching staff as Coaches Ken Ferguson and Jerry Robinson work with the ACHS team for the Raiders' opener in the 1972 baseball season meeting the Generals of William Campbell in a home game, 4 p.m. Wed., April 5.

Girls' softball schedule begins on Friday, April 7 as the Raiderettes meet Altavista in a home game. Game time--4p.m. All games in the season will begin between 4 and 4:30 depending on the visiting team's arrival. Coach is Mrs. Louise Martin.

Coaches Ferguson and Robinson says that several other seniors on the Raider nine are expected to contribute to the Raiders' "winning ways". They hope to match or excel last year's 12-4 record with a last-of season winning streak of 10 victories in a row.

Seniors include Jimmy Chandler, a power hitting short stop and Randy Foster who's expected to win the starting outfielder's berth.

Other players expected to see a lot of action for the Raiders include Bill Austin, a newcomer to Appomattox from the Brookville area, Bobby Layne, Sammy Waddell, and Joe Vaughan, who's expected to hold down catching duties. Mike Gallier will work either as center field or at first base. Freshmen listed as "promising" include Harrison Kelso and Warren Coleman.

Fans are invited to see the first game AND all the rest!

RICKY SIGNS UP . . .

Head basketball coach Joseph F. Lewis (far left), Kittrell Junior College, Kittrell, N. C. has signed up Ricky Garrett, senior Varsity Basketball player, (center) seen here with his father, John Garrett (far right). Coach Lewis, former coach at Carver-Price High School, has announced that Ricky will receive full aid and will play basketball and baseball. Said the coach, "We are proud to sign Ricky. He will be a fine addition to a team with 13 men returning. Kittrell finished second only to Ferrum Junior College in their conference." For ACHS Ricky averaged 18 points per game with an average of six assists per game. Added Coach Lewis, "He's a fine play maker."

'CUTIES' WILL PLAY LOCAL BASKETBALL TEAM

The "California Cuties", the original Men's Novelty Basketball team will meet a local basketball team at the ACHS gymnasium at 7:30 p.m. Wed. March 29.

The high school Varsity Club is sponsor with Coach George Blanton helping with arrangements. Proceeds of the game will go toward the purchase of Varsity Club jackets for seniors of the club, both gridiron and basketball court players.

Former high school lettermen and other well known local players will be playing the "Cuties". This Men's Novelty Basketball team plays in Ladies' clothes under such names as "Rebound Ruby", "Dumpy Dora" and "Snaggle Maggie." Lotsa fun is promised to everyone! Do come!

Signed up for "the big contest" are Gene Price, Carroll Goodrich, Sammy Page, Ronnie McCoy (now attending Kittrell Junior College, Kittrell, N.C.) and Welton Gafford have been invited to join the group. Wilfred Rogers will be playing, coming up from Dan River High School where he is coach. Coach Robinson is hoping to get in touch with some other players.

What Makes A Federation?

Appomattox County High School is a member of the Campbell- Appomattox Federation. The Campbell-Appomattox Federation is made up of five local high schools and two junior high schools. Altavista, Appomattox, Brookville, Rustburg, and William Campbell area chapters are among the schools belonging to the Federation. Program of work topics chosen for the school year 1971-72 are Make Time Work For You and Preparedness - The Key To Opportunity. Around these topics Federaton programs are planned for the coming year. The annual program of the Campbell -Appomattox Federation consists of two general meetings, held in fall and in spring. In the summer before the school term, an executive council planning meeting is held where ideas are exchanged between the Federation officers, chapter officers, and advisors or program pertaining to the chosen work topics. Held, also, is a leadership training workshop designed to inform chapter officers of their duties and responsibilities as leaders of their respective chapters.

The Fall Rally this year consisted of a panel of four homemakers who discussed their multiple rolls of career women, homemakers and mother. Planned for our Spring Rally is a fashion show where girls from each chapter will model outfits they have made and exchange ideas on the look for "Spring 72."

In October, the Federation visited the Home Economics Department at VPI in Blacksburg, where the girls saw the various phases in the study of Home Economics. We also attended the VPI- William and Mary football game. About 20 girls from each of the high school chapters attended the outing.

Our Federation is designed to further promote cooperation between school districts. We feel that in the many years the Campbell-Appomattox Federation Future Homemakers of America has existed that we have met this goal and the goals of our organization.

This year Debbie Rowe of the Appomattox Chapter is serving as President and for the 1972 -73 session Ellen Doss will be serving as Vice-President.

Carol Wood, Martha Harvey and Sue Giles work on material for the state degree.

AN FHA GOAL

Degrees Of Achievement

The Degrees of Achievement Program is one way in which the Future Homemakers of Appomattox County High School give recognition to a member who has worked effectively toward the purposes of the organizations. The degrees program recognizes each member who has contributed toward improving her home, school, chapter and community; also any member who has worked toward goals which help her become a better member of home and community.

The three degrees of achievement are stepping stones for building better individuals and homes. Through the degree program, FHA members are provided additional opportunity to contribute to the FHA program and to improve themselves as individuals. It emphasizes continuous growth of chapter members rather than fostering competition.

The first two degrees of achievement, the Junior and Chapter Homemaker Degrees, are planned so that each member as she works toward the degree will have a chance to grow step by step in ways that are important to her. The emblem symbolizes the principal opportunities and achievements represented in this degree.

The KEY is symbolic of the Junior Degree. It represents the opportunity to attain a more satisfying home life and successful future through participation in the program of the Future Homemakers of America.

The SCROLL is symbolic of the Chapter Degree. It is the symbol of the learning experiences provided in the different activities of the Future Homemakers of America.

The TORCH symbizes the State Degree. It is symbolic of the guiding light that challenges and inspires future goals

In working toward a degree the member must learn all she can about the organization and its purposes. The committee meets and plans a test on information given to the member to study. Each member must pass the test in order to be presented a degree. Also she must present home projects which help give her experience in the home and community.

This year as in the past, many members have worked for their Junior and Chapter Homemakers degrees. Three members have applied for the State degree. They are, Carol Wood, Sue Giles, and Martha Harvey.

Joint FFA-FHA Meeting

BY JEANETTE CLARK, REPORTER

The FFA-FHA Camp slides were presented at the March Joint Meeting with the FFA. Our narrators were Hal Smith from FFA Chapter and Cindy Guill from the FHA Chapter. They presented slides that were taken last year when some of the present ninth graders attended the camp. They told us about some of the recreation that is offered such as: basketball, softball, horseshoes, pingpong, swimming, row boating, volleyball and really most anything you desire. One special activity is a visit to Williamsburg and Jamestown. another big opportunity you have is to participate in a amateur hour (this is on volunteer basis). After this the plans for National FHA Week were presented by Mary Jane Smith -- They are as follows: For Sunday we are all going to church with our family -- Monday, the Club has planned on giving place mats to certain resturants in the area--Tuesday, we are having our Mother--Daughter Banquet at 6:30 March 21, Wednesday, the club will present our school office with flowers, Thursday, is "Be Nice To Teachers Day" Friday those who made outfits in Home Economics class will wear those. Saturday, all FHA members are to serve supper in their homes. After this the meeting was adjourned by FFA Chapter President, Warren Coleman.

The Degrees of Achievement has come far in helping members to work toward the overall goal "TO HELP INDIVIDUALS IMPROVE PERSONAL, FAMILY, AND COMMUNITY LIVING."
